NW ALUMNI GROUP SCHEDULES EVENTS

The Northwest Louisiana unit of the Northwestern State College Alumni Association has announced plans for the forthcoming weeks to open the group's 1964-65 activities.

Heading the unit's program is the annual membership drive which is now in progress. The unit which comprises the parishes of Caddo, Bossier, DeSoto, Red River, and Webster, assesses dues of \$2 per year and is one of the more active units in the state.

Teachers may pay dues by contacting Mrs. Dot Cromwell, Caddo Heights School, or James Gray, Linwood Junior High School. Others should mail dues to O. H. (Buddy) Patterson, 533 East Southfield Blvd., phone 868-4907.

Meeting Scheduled

The annual pre-Tech game dinner meeting is scheduled for 7 p.m., Tuesday, Oct. 13, in the Lake Rooms of the Captain Shreve Hotel, Shreveport. Tickets for the buffet dinner will be \$2.50.

President John S. Kyser and

ROBIN RENEE, little daughter of the Kenneth Terweys, of Bridge City, Texas. Mrs. Terwey will be remembered as Juanita Miller, BA '61, and Kenneth, BS, '58 received his MS in education in 1962.

unit system. Again the Demons have a White two-way team, a Purple offensive unit, and a Blue defensive team.

Clayton believes the three-unit system has advantages because it instills in players pride of belonging to "a team," more players acquire experience through opportunity to play, and individual players can play at top speed for short periods of time.

The 1964 squad is a highly-spirited, aggressive group. Although it is difficult to predict a successful record, it is certain that individual players will acquire a respect for their desire and hustle.

was the scene June 13, of the wedding of Miss CAROLYN VIRGINIA WHITTINGTON, BA '64, and Francis Patrick Spano.

DAVID WAYNE NORWOOD, 2-year-old son of Mr. and Mrs. B. A. Norwood, Jr. (Lula Crawford, nursing '60), resides in Baton Rouge with his parents.

Coach Jack Clayton will be featured speakers for the occasion. Among others attending from Northwestern will be Alumni Secretary Joe W. Webb.

A spokesman for the Northwest group stated that choice tickets for the NSC-La. Tech football classic will be available at the meeting.

"55,000 Strong" Is Homecoming Theme

REIGNING AS QUEEN of the Northwestern State College Homecoming Court is Carolyn Thomas, (fourth from right), a junior Business and Accounting major from Shreveport. Miss Thomas and her court, elected by the members of the "N" Club, will be presented to the Homecoming crowd in pre-game ceremonies when the Demons meet the University of Southwestern Bulldogs in Demon Stadium, Saturday, Nov. 14. Other members of the court include (left to right), Mrs. Ramona Reynolds of Shreveport; Bonnie Gorum of Clarence; Patricia Cooper of New Orleans; Georgia Blair of Shreveport; Miss Thomas; Mrs. Pamela Fulton of Elizabeth; Nora Jane Colvin of Minden; Catherine Cook of Alexandria.

Early reservations indicate that the 1964 Homecoming at Northwestern will attract a record number of former students and graduates. The theme, "55,000 Strong," will be carried out in the campus and float decorations.

The theme represents a rather conservative estimate of the number of graduates of the historic old college, from the time of its beginnings as a normal school up to the present time.

Although all graduates and former students will be honored during the day, the members of the classes of 1894, 1904, 1914, 1924, 1934, 1944, 1954, and the spring and summer graduates of 1964 will be especially recognized.

Those returning to the campus will be particularly interested in the new men's residence hall and the coliseum which were completed during the past year and, of course, the new administration building which is presently under construction.

Committees are engaged in making final preparations for their "VIP" guests and, under the direction of Alumni Secretary Joe W. Webb, have planned a full day's program. Alumni coffee and registration will be held in the

drawing room of Varnado Hall from 8 to 10 a.m. Science exhibits in biology, microbiology, and physical sciences will be on display in Williamson Hall and Fournet Hall from 8 to 11 a.m.

The Alumni Board of Directors will meet in the Alumni Office from 9 to 10 a.m., with the annual Homecoming parade slated to leave the campus on its downtown route at 10 a.m.

St. Denis Cafeteria will be the scene of the Alumni Luncheon to be held from 11 a.m. to 1 p.m. As tickets will be limited, those planning to attend the luncheon are urged to complete the reservation form found elsewhere in this issue and return it to the Alumni Office at an early date.

Pre-game ceremonies for the football contest between the NSC Demons and the Bulldogs of the University of Southwestern Louisiana will get underway at 1:40 p.m. Game time is 2 p.m. in Demon Stadium.

Following the football game, the "N" Club grads will get together at the VFW Home on Toulouse Street; the Homecoming Dance will be held from 8 p.m. to midnight. Fraternities and sororities will be holding "open house" throughout the day.

Departments Plan Science Program For Campus Visitors On Nov. 13-14

The Department of Biological Sciences, Microbiology and Physical Sciences will present a two-day Science Program, November 13 and 14. The Departments will host secondary school students and teachers on Nov. 13 with a program consisting of exhibits, films, panel discussions and a guest lecturer.

Hunter Yarborough, geophysicist for Humble Oil and Refining Company, will speak on "The Search for Oil—Detective Story and Treasure Hunt." Mr. Yarborough holds degrees in physics and geology from the University of Texas, and has for 20 years served as geologist for the Southern United States for Humble Oil. He is a member of numerous professional and honor societies, including the American Association of Petroleum Geologists,

Geological Society of America, Sigma Gamma Epsilon and Rho Kappa. During 1963-64, Mr. Yarborough served as distinguished lecturer for the American Association of Petroleum Geologists, and is currently a member of headquarters exploration department of Humble Oil and Refining.

Science exhibits will be on display between the hours of 8 and 11 on Homecoming Day so that our alumni can visit the departments and observe the scientific equipment now in use at NSC. Faculties of the science departments extend a most cordial welcome to our grads and look forward to the opportunity of visiting with them and demonstrating the outstanding array of teaching and research equipment making up the scientific world on the campus.

An Invitation to Homecoming

The glorious Louisiana autumn is here! For more than 50,000 men and women of Northwestern State College that means H O M E C O M I N G.

Search your memory and your wishes and if these and your conscience tell you that it has been TOO long since you have returned to your old college home, just determine right away that you will enjoy a day on the site that has brought together many people who have played important roles in your lives.

I speak for all of our campus people in inviting and urging you to be with us on Saturday, November 14.

NSC Enrollment Tops 4,000 Mark For New All-Time Record High

When registration closed at Northwestern State College, the 1964 fall enrollment figure was 4,278, an increase of 14.5 per cent over the comparable 1963 figure, according to Registrar Otis R. Crew. This incomplete figure for the fall semester at the historic old school reveals a growth of 253 per cent during the decade, 1954-64.

The total registration figure is an increase of 542 students over the previous fall when enrollment reached its all-time high of 3733. The figure for the current semester does not include those students who enrolled in off-campus courses. Of the total number, 2164 students are men and 2114 are women.

Graduate enrollment increased 52 per cent over the previous fall with an increase of 165 students to bring the total graduate enrollment to 480. This is the largest enrollment ever recorded in a regular semester and emphasizes the fact that the Graduate School has enjoyed a steady growth since it was established in 1954.

Breakdown of undergraduate schools indicates that the School of Arts and Sciences—comprising the departments of art, languages, biological sciences, physical sciences, microbiology, mathematics, music, and social sciences—experienced a growth of 23 per cent for a total enrollment of 863.

Other undergraduate school enrollments are: School of Applied Arts and Sciences, 974; Education, 1642; and Nursing, 319. Another striking comparison is the fact that the enrollment in the School of Education is greater than that of the entire College only a decade ago.

The Student Personnel offices report that 2693 students are living in College housing facilities; 1390 are men and 1303 women. A report from two College dining halls reveals that a total of 6702 meals were served to NSC students Monday, Oct. 28. Campus Security estimates that approximately 423 faculty and staff members and 1680 students have registered cars for campus use.

Death Claims "Coach" H. Lee Prather, 78

H. Lee Prather, 78, longtime coach, athletic director, dean of men, professor of government, and former president of Northwestern State College, died Wednesday, Sept. 23, at Newellton following an extended illness.

Known throughout the state as "Coach," Prather was born near Odessa, Mo., Oct. 10, 1886. He attended the University of Mis-

souri where he received the A.B. degree in 1910 and the LL.B in 1912. He began his coaching career at Columbia (Mo.) high school in 1911.

In 1912, Prather moved to Southwestern Louisiana Institute in Lafayette, where he remained for one year.

In 1913, he came to Northwestern, then Louisiana State Normal, where he remained for 38 years as a coach—establishing a record for coaching tenure at one institution. He coached all sports for approximately 20 years without an assistant.

He was named President of Northwestern Oct. 24, 1950, and remained until his retirement May 15, 1954.

Honors accorded to Prather were numerous and varied. He was named to the Helm's Foundation All-American Hall of Fame for Basketball and, later, was voted into the Louisiana Sports Hall of Fame. The NSC Alumni Association honored him in 1963 by naming him an honorary member at the annual luncheon meeting.

Prather was a fine teacher, a disciplinarian, and had great influence on the many athletes he coached.

Survivors included Mrs. Prather; two sons: H. Lee Prather, Jr., of Shreveport, and Wallace Prather of Newellton; three daughters: Mrs. Stathum Crosby of Waterproof, Mrs. Rivers Nesom of Hammond, and Mrs. Charles Barnette of Orlando, Fla.; one sister, Mrs. Carl Fortney of Downey, Calif.; 11 grandchildren, and 7 great grandchildren.

The Northwest Louisiana chapter of the NSC Alumni Association held its annual fall dinner meeting in the Lake Rooms of the Captain Shreve Hotel, Shreveport, Tuesday, Oct. 13, with the usual enthusiastic crowd attending.

O. H. (Buddy) Patterson, unit president, presided at the occasion which featured brief talks by Mrs. John S. Kyser, Coach Jack Clayton, Alumni Secretary Joe W. Webb, and Dr. George A. Stokes, dean of the School of Arts and Sciences, who represented President Kyser. President Kyser was unable to be present as he was attending a meeting in Baton Rouge.

Other guests from NSC included Steve Blount, student body president; Cecilia Shea, State Fair Queen; Aubrey C. (Red) Phillips, assistant football coach, and Roy G. Clark, news bureau director.

New unit officers who were elected were: James Gray, president; Bill Derrick, vice president; Mrs. Rivers Wallace, secretary; Bill Boyette, treasurer, and executive committee members, Patterson, Gail Colgin, Dr. T. C. Pullin, Mrs. Dot Cromwell, Janet Boswell, and Aubrey Hanes.

Incoming president Gray stated that the membership drive which was in progress would be continued and that former NSC students in the parishes of Caddo, Bossier, DeSoto, Red River, and Webster would be contacted within the next few weeks.

At the close of the meeting choice tickets to the NSC-La. Tech football game on Oct. 24 were put on sale to the group.

R. D. SCHAEFER, chairman of the Calcasieu Soil Conservation District, presented Mrs. Patsy Simmons Lawrence, BA '55, a certificate as the outstanding conservation teacher in Vernon Parish. Pat, who teaches Louisiana history in Leesville Junior High School, is president of the Vernon Parish Teachers' Association, program chairman for the Leesville P.T.A., and served as chairman of Vernon Parish Library Week this year.

ALUMNI HERE AND THERE

Lt. Paul Jemison, BS '62, who joined the Army two years ago, is lucky to be alive, as he "played dead" when the Communist guerrillas overran the Viet Nam position near Saigon on Sept. 4, killing twenty men with Jemison.

Miss Tommie Blackburne, BA '54, won first prize in the exhibit of the Hoover Water Color Society for her painting "Mooning," a misty landscape in tones of gray and lavender, painted in a very wet technique. Miss Blackburne's painting was on display at the Dunn Furniture Co. of Shreveport from Oct. 5 to Oct. 11.

John M. Parks, BS '47, has recently accepted a position as assistant supervisor of music with the State Department of Education. Mrs. Parks, the former Charlotte Lawney, last attended NSC in 1940. The Parks have two children, John M., Jr., 15, and Paula, 17. John's father, the late George Parks, Sr., was a supervisor of elementary teaching at NSC for a number of years, while his mother is now a teacher at the George Parks Elementary School in Natchitoches.

Jimmy Adkins, BS '60, is coaching at a consolidated school in Summerfield, Fla.

John Drane, BS '55, expects to complete the doctorate in statistics at Emory University this year.

Glen Stevens, BA '56, who is employed by Dean Witter & Co. as a marketing research analyst, visited the Alumni Office recently. He was gathering material for an institutional report on the growth of the Gulf Coast area.

Mrs. Avis Allen Olmstead, 29, 1916, wrote this office recently for a 1916 Potpourri. If anyone has a copy of this issue and would like to sell it, contact Mrs. Olmstead at 29 Sequin St., Newington, Conn. 06111.

Charles Smith and wife, the former Karen Stone, BS in nursing, '59, are on a Peace Corps assignment in the two-year-old nation of Malaysia.

Benny Grant, BA '61, writes that he is now teaching speech in the Carthage (Texas) High School, and would like to receive the Columns at this address.

Dr. Jackson A. White, BS '54, has been named chairman of the Department of Accounting at Northeast Louisiana State College. His wife, the former Betty Godwin, also attended NSC.

Neil Harbison, BS '61, has been assigned to the new Metairie office of Geophysical Services, Inc. He has been associated with the company for three years. He and his wife, the former Frances Morrow, have one daughter, Martha Sue, who is two years old.

Dwight Delbert Vines, BS '56, has been appointed dean of the School of Business Administration at Northeast Louisiana State College, Monroe.

Major Ralph E. Ropp, BA '49, assistant information officer at the U. S. Military Academy, West Point, N. Y., for the past three years, visited the Alumni Office recently. He has been selected as a public information officer, Saigon, Viet Nam, by the new commanding general who was superintendent at West Point during Ropp's tenure there.

Billy Hudson, BS '48, has been appointed head football coach at Bossier City High School. Mrs. Hudson (Margaret White, BA '48) is teaching in the Bossier City school system.

Miss Mavis O. Pate, BS in nursing, '52, was appointed a missionary to East Pakistan during the July meeting of the Southern Baptist Foreign Mission Board. She will work in the Baptist Hospital in Feni.

Guy Wimberly, BA '36, wrote the Alumni Office recently asking that his address be changed to Reno, Nev.

Miss Thais Beter, BS '54, MS '61, a teacher in LaGrange High School, Lake Charles, was honored by the student body when the 1964 year book was dedicated to her.

George W. Krum, BS '61, MS '64, has been appointed microbiologist with the New Orleans district of the Food and Drug Administration.

Dr. William W. Robinson, BS '61, has completed a three-year tour of duty with the U. S. Army and is planning to enter St. Louis University School of Dentistry to specialize in orthodontics.

O. C. Sills, BS, '38, has been appointed State Director of Institutions. Sills has been Director of Public Welfare since 1955.

Henry Walton, BS '57, MS '58, has accepted a position in the Health and Physical Education Department at Nicholls State College, Thibodaux.

Elizabeth Hennigan, BS '62, has
